BRITISH OVERSEAS TRADE BOARD

Programme of Trade Promotions 1973-75

IBPA means business in any language-

IBPA industrial and trade media addresses the Germans in German, the French in French, and offers similar local language media throughout Italy, Spain, Holland and Scandinavia. And we not only speak the right words; we speak to the right people. Because we publish specialist journals covering just about every technical field in every major industry. What's more, our publications include most of the market leaders. So you know you are reaching the large and influential readership you're aiming for.

For in-depth information on local media in Spain, Italy and Scandinavia, contact: John Davies, IPC Business Press, 217, Lynton House, Walsall Road, Birmingham 22B. Tel 021-356 4838.

For French language territories contact J.M Clement, C.F.E. 33-39 Bowling Green Lane, EC1R 0NE. Tel 01-837 1277 or Martin Walsh, Cabot Lodge, Dunton Lane, Lea Marston, Sutton Coldfield. Tel Curdworth 142.

For German and Dutch language territories contact: Doug Jens Smith, The Court, Long Sutton, Hampshire. Telephone 025681-589 or 0962-62137/8.

Programme of Trade Promotions

This programme of Trade Promotions is published as a supplement to *Trade and Industry* in January, April, July, and October.

Section I lists overseas trade promotions and missions over the next two years for which DTI support is already being planned, or is under consideration. The information is necessarily brief, but further details can be obtained from the trade association or from the officer named against the event. (Tel. 01-248 5757). For trade fairs the date shown in brackets after the officer's name and telephone extension number indicates the closing date for applications for support. Those interested in participating in any event for which the cut-off has passed should inquire of the sponsor or the officer named against the event, as occasionally it is possible to accommodate late requests. Where no date is shown the cut-off date has not yet been fixed.

Section II (Europe) and **Section III (outside Europe)** list a number of regular overseas trade fairs, some of which are also included in Section I. **Section IV** lists some United Kingdom trade fairs.

Fairs in this supplement are classified under the commodity groups (right), definite dates being given when known or alternatively the month in which a fair is usually held.

General inquiries should be addressed as follows:

(1) About support provided by the DTI for overseas promotions: Fairs and Promotions Branch, Department of Trade and Industry, Hillgate House, 26 Old Bailey, London EC4M 7HU (Tel. 01-248 5757)
Telephone inquiries should be made as follows:
For trade fairs, symposia, British Weeks, trade drives, British Shopping Weeks and store promotions—Ext. 7091
For British Export Marketing Centre, Tokyo—Ext. 7104 or 7317
For Outward Missions—Ext. 7086

(2) About Inward Missions:
Special Export Services Branch, Export Services and Promotions Division, Department of Trade and Industry, Export House, 50 Ludgate Hill, London EC4M 7HU (Tel. 01-248 5757, Ext. 463).

How the British Overseas Trade Board can help you to promote your goods overseas

Under the direction of the British Overseas Trade Board, the Department of Trade and Industry supports British firms at trade promotions overseas.

In 1972 the Department of Trade and Industry supported some 5,000 firms exhibiting at 283 trade fairs in 37 different countries: six British Shopping Weeks and 54 Store Promotions. In 1972 121 Outward Missions were supported and some 1,350 firms were helped in that way.

Joint Ventures

Under its Joint Venture Scheme the Department of Trade and Industry provides space and a shell stand for each firm taking part in a group display sponsored by a trade association or other non profit-making body at an overseas trade fair. In addition, for joint ventures held outside Western Europe, the Department pays half the return tourist air fares of two representatives from each firm manning their stand for the duration of the event and half the freight charges for returning unsold goods exhibited at the event. Firms taking part in a joint venture display will be charged a participation fee.

British Pavilions

At some overseas trade fairs, usually those where participation is organised on a national basis, the Department organises British pavilions. Space and shell stands are provided to participating firms at attractive rates. Firms taking space in a British pavilion, provided the event is held outside Western Europe, are also eligible for assistance similar to that given under the Joint Venture Scheme towards the costs of representatives' travel and of returning unsold exhibits.

Technical Symposia

In certain circumstances British firms taking part in technical symposia organised in association with a trade association may be given support comparable to that available under the joint venture or outward mission schemes.

Information Stands

At the more important trade fairs, especially in Western Europe, the Department provides an official Information Stand staffed by Diplomatic Service Commercial Officers. Apart from dealing with commercial inquiries, these Information Stands serve as a focal point for British firms exhibiting at the event either directly or through local agents.

British Export Marketing Centre, Tokyo, (see also page 29)

Up to 10 official export promotions and trade exhibitions will be held each year in the British Export Marketing Centre in Tokyo. These will be arranged in conjunction with a trade association. In addition the centre is available to British companies or their agents in Japan for mounting individual product exhibitions or promotions.

British Weeks

British weeks are major promotions of British consumer and consumer durable goods at the point of sale in a selected city overseas. The aim is to develop sales direct to customers through every suitable shop or other retail outlet in a selected area of a chosen city. Capital equipment manufacturers also take advantage of the favourable atmosphere created during these events.

British Shopping Weeks

These are organised by local authorities or Chambers of Commerce overseas with the help of Diplomatic Service Commercial Officers. The Department of Trade and Industry may provide display material, arrange supporting events and may help individual stores to arrange special features.

Store Promotions

Promotions of British goods involving a substantial volume of new buying are frequently put on by overseas department stores. The Department of Trade and Industry assists the store by providing display material and by arranging for special supporting features to be set out either wholly or partly at the store's expense.

Outward Missions

Trade Missions to overseas markets are sponsored by a trade association, Chamber of Commerce or similar non profit-making body. Their purpose is to assess the prospects for British exports in selected markets or to sell or to promote the sale of British products. For approved Outward Missions the Department of Trade and Industry contributes towards the costs of each participant according to a fixed scale.

Inward Missions

The Department of Trade and Industry offers financial assistance to trade associations and other non profit-making bodies sponsoring visits to Britain by groups of overseas businessmen wishing to purchase British products or assess the latest developments in British industry.

British Export Marketing Centre, Tokyo

THE BRITISH OVERSEAS TRADE BOARD considers that the Japanese market offers new and exciting growth prospects for a wide range of British exports and has therefore decided to open the British Export Marketing Centre in Tokyo. For a single fee of £100, firms will be able to participate in official trade exhibitions to be held in the Centre. The Department will provide free of charge the floor space and a shell stand and mount the exhibits. It will also arrange to ship all exhibits to Tokyo free of charge from a central point in Britain. Before each exhibition it will mount a major advertising and publicity campaign in Japan to attract potential customers. In addition, exhibiting firms will be able to claim £400 towards the cost of sending up to two representatives to man the stands during the exhibition. The Centre will be available to British companies or their agents wishing to mount individual product exhibitions for a charge of £50 a day. It will also be available to companies wishing to hold seminars and conferences, and there are facilities for audio-visual presentations and catering. A charge of £5 an hour will be made. Further information on the Centre and its facilities can be obtained from Fairs and Promotions Branch (Tel: 01-248 5757 ext. 7104/7317).

Tony Bryant's desk is halfway between London and Edinburgh!

And reading this could be halfway to deciding where your next Conference, Trade Fair or Exhibition will be held. You'll find Tony's desk in Harrogate, Britain's top Conference, Trade Fair and Exhibition Centre.
You'll also find excellent hotels of all sizes in this beautiful floral town, a complex of municipal Conference Halls (the largest seating 1350) plus three superb Exhibition Halls with a total of 100,000 square feet of floor space available. There's no difficulty in locating Harrogate, either; it's just off the A1, midway between London and Edinburgh, and there are good rail and air services, too.
Give Tony Bryant half a chance and he'll convince you that Harrogate is right for *your* next Conference, Trade Fair or Exhibition.
Write for Conference Brochure and full information to Tony Bryant, Conference & Resort Services Department, Harrogate. Phone 0423 65652.

GOVERNMENT AND INDUSTRY IN BRITAIN
Stephen Blank Foreword by Sir Norman Kipping

Professor Blank examines the role played by the Federation of British Industries from its formation in 1916. The primary focus is on the post second world war period when, under the influence of events, the F.B.I.'s involvement with national economic management markedly increased. This lead, in 1965, to the formation of the Confederation of British Industry one of whose primary purposes is to play a more authoritative part in the development and execution of industrial and economic policy.

JAPAN AND WORLD TRADE: The years ahead
Haruko Fukuda

This important study re-assesses Japan as a major international trading nation—considers the importance of foreign trade for Japan—analyses what her major exports and who her major trading partners are likely to be in the next ten years and examines the likelihood of Japan joining a Pacific trade bloc as a counter to E.E.C. tariff discrimination.

TRANSATLANTIC TRADE
Gian Paolo Casadio
Introduction by Professor Gerard Curzon

This authoritative study considers the principal problems involved in constructing an equitable world trade policy. The detailed analysis covers all aspects of the 'Kennedy' round of negotiations and subsequent events—the resurgence of neo-protectionism—the slow-down in world economic growth—inflation—U.S. balance of payments deficit and a re-valued dollar. Professor Casadio presents a European view and his contribution to better understanding of international trade exchanges is made all the more timely by the impending 'Nixon' round of negotiations with which his book deals extensively.

BUSINESS AND ACCOUNTING IN EUROPE
A. T. McLean (Editor)

Leading experts explain the systems governing the conduct of business, finance and accounting which have evolved in the E.E.C. and examine the implications of these as they may affect British practice. The book provides full explanation and illustration of key aspects for financial executives and businessmen.

ITF shows the w

ITF organises national and international exhibitions for commerce and industry throughout the world. One of the largest organisations in the field, ITF is responsible for some 40 major trade shows in the United Kingdom and Ireland, besides major British trade fairs overseas.

ITF is in a position to offer companies of all sizes from Britain and overseas the opportunity to show their products and services in a series of exhibitions over a wide range of industry.

Almost all the exhibitions in the United Kingdom and Ireland are planned, organised and staged under the direct sponsorship of interested trade associations and federations. All British fairs and promotions held overseas have been presented with the full co-operation of the Confederation of British Industry and the Association of British Chambers of Commerce with active support from the Department of Trade and Industry. The British exhibitions being held overseas in 1973/4 are being organised under the sponsorship of the British Overseas Trade Board and the Department of Trade and Industry.

Agriculture, Forestry, Fishing and Agricultural Machinery

1973

SZEGED:
Hungary modern agriculture and food processing—July 20 - August 5, 1973
Apply: Fairs and Exhibitions Service, 1051 Budapest V. Alpari, Gyula u. 13.

In this case plastic pipes meet their connections.

A client telephoned at 4 o'clock. Crisis. He wanted a consignment of plastic pipes at Ipswich Docks by noon the following day. A whole shipment would be delayed if we couldn't make it.

We built the case that day and received the pipes in the morning. Transport stood by whilst we packed them and roared off to meet the deadline.

A simple story with a very happy client ending. He was overjoyed.

But we could do it only because we have our own case making facilities. When our clients products are glass pipes instead of plastic we convert fibre board into cartons and foam pack in situ – there's no limit to our ingenuity to save you time and money.

Fortunately not everyone needs a 24 hour turnround for their export packing, but if you are in trouble we can help. We always say yes as a reflex action and we never let you down.

Telephone 01-855 3311/7504 for **total** service.

Has your company considered applying for this Award?

An Award recognises outstanding achievement by management and employees working as a team in increasing visible or 'invisible' exports or in the advancement of product or process technology.

Any United Kingdom based organisation from the largest to the smallest is eligible to apply for the Award to the extent that it carries out activities that meet the Award criteria.

Application forms with guidance notes are available each year on 1 August and must be submitted by 31 October. These and information about eligibility can be obtained from:

The Secretary
The Office of The Queen's Award to Industry
1 Victoria Street London SW1 OET
Tel: 01-222 2277 Telex 27366

Awards are announced annually on The Queen's actual birthday—21 April.

Addresses of ECGD local offices

The Export Credits Guarantee Department (ECGD) is a Government Department providing export credit insurance for United Kingdom exporters and insurance against political risks for new investments overseas. Although credit insurance is its main service to exporters the Department offers them a number of others. Firstly the Bank Guarantee scheme is available to exporters who have held an ECGD comprehensive type policy for 12 months. This scheme enables exporters to obtain export finance from their bank at a special low rate. Major projects carried out by British firms in overseas countries can be financed by the buyer credit technique which gives the exporter the bulk of his payment on shipment of the goods. Similar to this is the line of credit facility which extends the buyer credit principle to include contracts often with an individual value as low as £10,000. ECGD now insures 38 per cent of all UK exports. For full details of all ECGD services contact Publicity Branch, ECGD, Aldermanbury House, Aldermanbury, London EC2 2EL, telephone 01-606 6699 extension 258, telex 883601, or get in touch with your local branch office listed below.
